The Nest Seekers

By Chris Bickel

Lulu.com, United Kingdom, 2012. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. The Nest Seekers is a primary level children s book about a real Earthwatch Expedition that takes place in the Grand Teton Mountain Range in northwestern Wyoming. The book chronicles this expedition through the eyes of four research scientists, also known as The Nest Seekers, who are trying to find the nests of four target songbirds to determine the impact housing development is having on their habitat. During the story, the scientists are outwitted as they try to find the nests of the American Robin, Yellow Warbler, Black Headed Grosbeak, and the Song Sparrow. In the end, the scientists are not that lucky but they sure do have fun in the process! Learn more about the book by visiting The Nest Seekers web site companion at /site/nestseekersguide/.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
