Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We are so happy that your journey to wellness has led you to try chiropractic care. As chiropractors our philosophy is simple, yet profound. As a profession, the primary belief is in natural and conservative methods of health care. Doctors of chiropractic have a deep respect for the human body's ability to heal itself without the use of surgery or medication. We devote careful attention to the biomechanics, structure and function of the spine, its effects on the musculoskeletal and neurological systems, and the role played by the proper function of these systems in the preservation and restoration of health. A Doctor of chiropractic is one who is involved in the treatment and prevention of disease, as well as the promotion of public health, and a wellness approach to patient healthcare. My personal journey began as a result of a paralyzing football injury that left me with two choices. The first choice was to have spinal surgery and the second was to find an alternative that would relieve the pressure to the nerves that supplied function to my legs. On the recommendation of my trainer I tried chiropractic and twenty years to this day I've never had surgery and regained full use of my legs. I know I'm truly blessed and I'm not suggesting chiropractic is a cure all for paralysis but I am a walking testament that there is a powerful healing force in the body that if given the proper neurological, emotional and nutritional channels can perform miraculous healing. Let us share with you a brief introduction to the profession that chose me. The world's understanding of the efficacy of chiropractic...
