Brand New Book ***** Print on Demand *****.Excerpt from Good News, Vol. 1: Bicknell Family Association Greetings, glad and free, to all of the Bicknell name or blood. I bring you good news from the homelands of New England and of Old England; and as England across the sea is our motherland, still, I will tell you some most interesting matters about our family on the other side of the Atlantic. Our English Stock. We all knew that our ancestors, Zachary and Agnes Bicknell and their son John, came from England to Boston and Weymouth, Mass., in 1635, and that almost all the Bicknells, by name or blood, in the United States trace their descent from John Bicknell, of Weymouth. But we all have been asking, Who was Zachary s father and mother, and where did they live in England? I have been trying to get a satisfactory answer to that question for more than forty years, and only within the last two weeks have I been able to ascertain the facts. I can say that we have bridged the Atlantic in our family life, and now that we are safely on the other side, we may visit the old Bicknell home, worship in the old family church, rub the moss from the ancestral stones in the old churchyard, and sit under the protecting shade of the old family tree at Barrington, England.
