Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

AUSGEWAHLTE WERKE I: OFFENBARUNG UND RELIGIONEN. AUS DEM SCHWEDISCHEN UBERSETZT VON DIETZ LANGE (HARDBACK)

Vandenhoeck Ruprecht GmbH Co KG, Germany, 2011. Hardback. Book Condition: New. 240 x 162 mm. Language: German Brand New Book. English summary: Quite a few of Nathan Soderblom's (1866-1931) most important works have never been translated from the original Swedish. That is why so many of his seminal ideas on religious pluralism and ecumenicity, but also on basic tenets of Christian theology are virtually unknown today. That is a deplorable fact, since this great historian of religion and church leader was exceptionally far-sighted in his analyses of religion in modern times. The theological as well as political developments having subsided that had diminished his influence in the decades following his death, the time has come to reopen the trove of his thought. So this 3-volume selection makes an attempt at relieving some of Soderblom's classics from their linguistic isolation by making them accessible to the German-speaking public. This is done in the hope that corresponding translations into other major languages will follow. German text. German description: Nathan Soderblom (1866-1931) war 1894-1901 Pfarrer in Paris, 1901-1914 Professor für Allgemeine Religionsgeschichte in Uppsala und Leipzig, danach bis zu seinem Tod Erzbischof von Schweden. Als Entdecker des Heiligen als Zentralbegriffs aller Religion und Begründer einer methodisch fundierten vergleichenden Religionswissenschaft war er einer der bedeutendsten Vertreter seines Fachs. Als Theologe verstand er Grundzüge von Luthers Denken sowohl mit moderner wissenschaftlicher Theologie als auch mit dem Erbe der Erweckung zu einer originellen Einheit zu verbinden, die bis heute von Interesse ist. Als Initiator der ersten grossen ökumenischen Konferenz in Stockholm 1925 und als unermüdlicher Kämpfer für den Frieden in und nach dem I. Weltkrieg sowie als Organisator vielfältiger humanitärer Hilfsaktionen hat er sich grosse Verdienste erworben, die 1930 durch die Verleihung des Friedensnobelpreises gewürdigt wurden. Soderblom hat zu Lebzeiten weit über Schweden hinaus...
