Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

IS THERE LIFE AFTER FOOTBALL?: SURVIVING THE NFL

New York University Press. Hardback. Book Condition: new. BRAND NEW, Is There Life After Football?: Surviving the NFL, James A. Holstein, Richard S. Jones, George E. Koonce, In January 2014, President Barack Obama made headlines when he confided to New Yorker reporter Davis Remnick that, if he had a son, he would discourage him from playing in the NFL. "I would not let my son play pro football," he told the writer. Obama's words came on the heels of a year of heightened awareness of the life-long consequences of a professional football career. In August 2013, the NFL agreed to a \$765 million settlement with over 4,500 retired players seeking damages for head injuries sustained during play. Thousands of others are seeking disability benefits in the State of California for on-field injuries. But the possibility of lifelong disability is not the only problem facing professional football players after their playing careers - often brief to begin with - come to an end. Many players, having spent years focusing on football, find themselves at sea when they either leave or are forced out of the NFL, without any alternate life plans or even the resources to make them. Is There Life After Football? draws upon the experiences of hundreds of former players as they describe their lives after their football days are over. It also incorporates stories about their playing careers, even before entering the NFL, to provide context for understanding their current situations. The authors begin with an analysis of the "bubble"-like conditions of privilege that NFL players experience while playing, conditions that often leave players unprepared for the real world once they retire and must manage their own lives. The book also examines the key issues affecting former NFL players in retirement: social isolation, financial concerns, inadequate career planning,...
