Booksurge Publishing. Paperback. Book Condition: New. Paperback. 198 pages. This book contains more than just stories about the family. Some entries are dappled impressions of modern life. Some are comedy bits, with the odd gem of a punch line. Others are lighter than air and rise up like whimsy. Others still have a slightly more serious intent, with surprising twists. These funny, short original stories first appeared on the website: www.alex carrick.com. Mr. Carrick has been a leading economist in the North American construction industry for over 30 years. In early 2008, he was asked by his employer to put together an economics blog. He approached this with a good deal of trepidation, worrying about whether he would have enough material and if he could do it justice. He quickly found he enjoyed the experience. So much, in fact, that he began to branch out with humorous lifestyle blogs he was composing on the weekends and at night, just for fun. It is these entries he would like to share with you. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
