

Borderland Lives in Northern South Asia: Non-State Perspectives (Hardback)

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

BORDERLAND LIVES IN NORTHERN SOUTH ASIA: NON-STATE PERSPECTIVES (HARDBACK)

Duke University Press, United States, 2013. Hardback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. Borderland Lives in Northern South Asia provides valuable new ethnographic insights into life along some of the most contentious borders in the world. The collected essays portray existence at different points across India's northern frontiers and, in one instance, along borders within India. Whether discussing Shi'i Muslims striving to be patriotic Indians in the Kashmiri district of Kargil or Bangladeshis living uneasily in an enclave surrounded by Indian territory, the contributors show that state borders in Northern South Asia are complex sites of contestation. India's borders with Bangladesh, Bhutan, Burma/Myanmar, China, and Nepal encompass radically different ways of life, a whole spectrum of relationships to the state, and many struggles with urgent identity issues. Taken together, the essays show how, by looking at state-making in diverse, border-related contexts, it is possible to comprehend Northern South Asia's various nation-state projects without relapsing into conventional nationalist accounts. Contributors. Jason Cons, Rosalind Evans, Nicholas Farrelly, David N. Gellner, Radhika Gupta, Sondra L. Hausner, Annu Jalais, Vibha Joshi, Nayanika Mathur, Deepak K. Mishra, Anastasia Piliavsky, Jeevan R. Sharma, Willem van Schendel.
