Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Proceedings of the Royal Society of Victoria, Vol. 20: New Series; Part I, Edited Under the Authority of the Council, Issued August, 1907, Containing Papers Read Before the Society During the Months of April, June, 1907 As in all probability it has not been the lot of any living British anatomist to gaze on a living representative of the extinct native Tasmanian race, the photograph of the half-caste daughter of a member of that race may not be without interest. The circumstances under which the author was fortunate enough to obtain the photograph were as follows: At the conclusion of the meeting of the Australian Association for the Advancement of Science, held in January, 1907, the Government of South Australia was good enough to place at the disposal of a limited number of members of the Association, of which I was fortunate enough to be one, the Government steamer, Governor Musgrave, for a three days scientific excursion to the various islands and other places of interest in the Spencer and St. Vincent Gulfs. Amongst the...
