

Where's My Monkey?

By Dieter Schubert, Handprint, Deiter Schubert

Lemniscaat USA. Hardback. Book Condition: new. BRAND NEW, Where's My Monkey?, Dieter Schubert, Handprint, Deiter Schubert, This favorite picture book, revised for the first time to include text, describes the unusual events that happen when a toy monkey is separated from his young owner. The shimmering watercolors bring to life the enchantingly oddball characters the monkey encounters. These include a mouse colony that uses the monkey's underwear to swing through their house in the bottom of a tree; a hedgehog family that falls asleep with him; and the magpie that steals the monkey away to its nest.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.
