GLOBALIZATION OF COMMUNICATION

World Council of Churches (WCC Publications). Paperback. Book Condition: new. BRAND NEW, Globalization of Communication, Chris Arthur, The process of globalization has been accelerated by rapid developments in communication technology. Behind the political and economic issues raised by the globalization of communication lie important ethical and religious questions, such as, for example, the effect of our constant exposure through the media to the reality of human suffering far away, and the effects on religions and religious people of how the media portray faith.
