THE KAMA SUTRA OF WORK: WHY WORK IS THE NEW SEX AND HOW TO MAKE SURE YOU'RE GETTING ENOUGH

A M Publishing. Paperback. Book Condition: new. BRAND NEW, The Kama Sutra of Work: Why Work is the New Sex and How to Make Sure You're Getting Enough, Avril Millar, What would you do if you thought you would have to work - and make your own money - forever? You probably will. Because, most likely your pension will barely feed a mouse and your knight in shining armour may not materialise. Women are going to have to redefine work to fit with long, varied lives. We will have to create our own security. Fortunately, we're well equipped to do just that. We're flexible, capable and more multi-talented than we know. We just need to learn how to unearth and exploit our talents, how to succeed in the changing world of work and how to make new work - and get paid - when we need it. More than ever, we're surrounded by sex; on the TV, the Internet, at the movies, in magazines, on a billboard near you. We swim in a sea of sexual images, words and references. So what if you could use the language of sex to inspire you to create a range of work you'll love for a lifetime that will also make you happy, secure and independent? The Kama Sutra of Work will open your eyes to the possibilities of great work that you've never thought of. From 'Oral' to 'Happy Endings', work (and sex) will never seem quite the same again.
