Brand New Book ***** Print on Demand *****.Excerpt from Budget Making in a Democracy: A New View of the Budget Budgets are not merely affairs of arithmetic, but in a thousand ways go to the root of prosperity of individuals, the relation of classes and the strength of kingdoms. - Gladstone. That admirably expresses the point of view of this book - a point of view that must be controlling in any discussion of budget-making in a democracy. The budget in practically all current discussions is treated as an incidental or minor thing. It is regarded primarily as a matter of finance or of accounting procedure. It is viewed too often merely as a question of the manipulation of figures. While as a matter of fact instead of being a secondary thing it is of the first importance: instead of being a subordinate thing it is a fundamental thing: instead of being merely the manipulation of figures it is decisive in its relation to the health, education and welfare of all the citizens and residents of the state or nation concerned. That it is...
