*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.*

## THE PSYCHOSOMATIC SURVIVAL GUIDE

Booksurge Publishing, United States, 2006. Paperback. Book Condition: New. 203 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A carefully structured combination of essays and stories - partnering fiction with nonfiction - based on years of research, and the author's personal philosophy and experiences, *The Psychosomatic Survival Guide* directs the reader toward a clearer, more positive path for living in today's fragmented, and often mentally negative, modern world. The Guide traverses a course that thoroughly entertains as it evolves into a developing tale of characters finding personal discovery of life, while, at the same time, explaining its own purpose as a guide. *The Psychosomatic Survival Guide* is both an explanation and a celebration of the Human Experience. This guide is intended for those of you, who, like both the smeller of roses and the runner of rat races, seek a larger, more beautiful understanding of the magnitude of existence, among other things. From the Author, Dan L Dudgeon I originally wrote this Guide in 1996 for two different reasons: one, a survival guide was a format that I felt best encapsulated what I needed to express to others; and two, as an answer to what I perceived as an ongoing theme of total confusion in the world of metaphysics and spiritual enlightenment. In...
