Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is part of a series which aims to help English Language Learners to become fluent in Spoken English. It is the first in a planned series of three and caters for those Learners who are ready to move up to the ESL (English as a Second Language) Pre-Intermediate level in Spoken English. We begin here because, in terms of the spoken language, the leap from the Elementary to the Pre-Intermediate level is one of the biggest hurdles faced by English Language Learners. It is one of the greatest hurdles because it is at this stage that the Learner must move from simple spoken forms to a degree of fluency that begins to use more complex forms of the language. It is the first major hurdle that very many Learners cannot get over. As a result, it is at this point that a Learner can become stuck and either give up trying to become fluent in Spoken English or fail to make any real progress in comparison to their writing and reading skills. There are two main reasons why this happens. The first is that native English speakers do not speak the language in the same way that they write it. The spoken word very often bears little or no resemblance to the written word. The second is that a Spoken language must be learnt - it cannot be taught. By this we mean that, while all learning is a two-way process between the instructor and the learner, when it comes to learning to speak a language, something more than 80 of the work must be done by the Learner on their own. One...
