Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A HISTORICAL FANTASY that blends ageless themes of friendship and love into a quixotic tale of mystery and faith. Set in thirteenth century England, Edric, a man crippled in body and soul, begs, steals, and sometimes plays a pipe to make a living. Against his better judgment, he saves the life of Azriel, a man who claims to be an Angel. But is this stranger a divine being or the escaped Mad Monk from a nearby monastery? The peasant woman who finds herself attracted to the acerbic Edric isn't certain, nor is the morose knight in desperate search of secrets to the afterlife. Another scheming monk seems to have all the answers, or does he? But circumstances cause the beggar, the monk, and the knight to collide in the same quest, some of whom would see Azriel permanently locked away and Edric hanged for murder. King's River Life Magazine says, Fully entertaining, it still poses questions that are just as relevant in the 21st century as in the 1200s. Historical Novel Society Review says, The writing is brisk, clear and grips the reader from the outset, with a rich evolution of the plot at precisely the right pace. Westerson is at home with the genre and craft of writing. There is a welcome mixture of humor and substance to the dialogue that blends well with the mud and dust of the roads the characters walk. Suitable for all audiences down to pre-teens, especially for those who enjoy the lines between mortal and angel blurred.
