But his genuine lore cannot be concealed by his flimsy philosophy. The student will gain from the Inquiry real knowledge about ancient art. He will find, indeed, not a few statements which the author himself would be the first to modify in the light of the new information of the last fifty years. But he will also find much which, in its time, proved to be suggestive and fruitful to other minds, and which prepared the way for wider and deeper studies. It may do so yet. The book is one which the student of archa3ology cannot afford to overlook. Whilst he may well afford a passing smile at the...
