Great War Britain: Middlesbrough offers an intimate portrayal of the city and its people living in the shadow of the 'war to end all wars'. A beautifully illustrated and highly accessible volume, it describes local reaction to the outbreak of war; charts the experience of individuals who enlisted; the changing face of industry and related unrest; the work of the many hospitals in the area; the effect of the conflict on local children; and concludes with a chapter dedicated to how the city and its people coped with the transition to life in peacetime once more. The Great War story of Middlesbrough is told through the voices of those who were there and is vividly illustrated through evocative images.
