KONSTANTIN STANISLAVSKY

Taylor Francis Ltd, United Kingdom, 2003. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book. This compact, well-illustrated and clearly written book offers an essential guide to the complex and contradictory nature of this master of theatre. Routledge Performance Practitioners are a series of introductory guides to key theatre-makers. These compact, well-illustrated and clearly written books will unravel the contribution of modern theatre's most charismatic innovators. This is the first book to combine: - an overview of Stanislavsky's life history - an assessment of his widely read text, *An Actor Prepares* - detailed commentary of the key 1998 production of *The Seagull* - an indispensable set of practical exercises for actors, teachers and directors. As a first step towards critical understanding, and as an initial exploration before going on to further, primary research, Routledge Performance Practitioners are unbeatable value for today's student.
