Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you dream of being the CEO of a Fortune 500 company? Have you wanted to buy that new home you ve dreamed of for so many years? Exactly what is your idea of success? Success is having achieved that which you determine you will do! YOU determine what success is for you. It s not based on any judgment other than your own. It s not dependent upon materialistic measurements. And, for some, success is the journey, itself. Success may be something material, such as money or a new home. It could be something egotistical, as the power and notoriety that comes with the position of CEO. It could be emotional, as finding love and commitment. Success may even be unselfish and altruistic, as seeing children in third world countries healthy and safe. Success has no particular name or identity. There is no one method to describe what success is, other than the definition above. It means something different to each individual. All successful people, however, have one thing in common - determination! To be a success, you must first determine to be so. Though not always a conscious decision, the seed that leads to action is to first determine. Being successful is a two-part process - determination and belief! Both of which begin in the mind. Diane was fortunate that her determination to write became a career. She began to believe, because the determination was creating opportunities - her bosses praised her writing and gave her more, college professors praised her abilities, and once a man wept after having read one of her poems. That s when she began to believe in her ability...
