Brand New Book ***** Print on Demand *****.This is the fourth book in the 4th grade children s living science book series entitled, The Gumshoe Archives. It teaches the science concepts of how fossils are created and where dinosaurs roamed. Each chapter contains a review exam to test the students knowledge of the information presented as well as a comprehensive exam at the end of the book. There are also helpful activity ideas at the beginning of each chapter to help the teacher facilitate the learning process. The Storyline: When something starts terrorizing an old museum in Scrugville Utah, Andy and Norsely must get to the bottom of it. What they find changes Norsely s life forever. Their investigation takes them to various fossil sites as they learn about our ancient past. Norsely is forced to make a difficult decision, one that will test his friendship with Andy. Join the adventure and learn about fossil formation. See our website at //.
