Head of Zeus. Paperback. Book Condition: new. BRAND NEW, Badlands, C. J. Box, Grimstad, North Dakota. A place people used to be from - but were never headed to - has struck oil. As pipelines snake across the prairie, oil flows out and men and money flow in. And with them, comes crime. North Dakota's new oil capital has a serious law and order problem and newly qualified detective Cassie Dewell has just been appointed its deputy sheriff. Twelve-year-old Kyle Westergaard is one of Grimstad's paperboys. Kyle has been written off as the 'slow' kid, but he has dreams deeper than anyone can imagine - he wants to get out of town, take care of his alcoholic mother, and give them a better life. While delivering newspapers, he witnesses a car accident and now has money and a lot of white powder in his possession. With the temperature dropping to 30 degrees below and a gang war heating up, Cassie fears she might be in over her head. The key to it all will come in the most unlikely form: an undersized boy on a bike who keeps showing up where he doesn't belong.
