In the cold, black hold of a sailing ship, a young woman lies dying, tormented that her death will mean nothing. No one will know. No one will care. Only the will to find a purpose for her life keeps breath in her exhausted body. Far away, a soft Carolina breeze touches a mother's face as she peers into the night sky, agonizing over the loss of her infant daughter nineteen years before. Worlds apart and unaware of one another, the mother and daughter fight their lonely battles for survival. Between them-a man rising to greatness with the new America will bring them together. Struggling to triumph are three major characters: Brenna-determined to find her place in the world yet haunted by the shadows of abandonment and self-doubt; Emily-plagued with grief over the loss of her only child and unable to shake a disturbing sense that something is unresolved;...
