Spirit Journey Books, United States, 2004. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A comprehensive manual at center stage of science, spirituality and healing. Can any prayer heal? Do miracles really happen? Can a person tap into a power beyond themselves so strong that the impossible becomes reality? Can ancestral curses and negativity manifest as illness in a descendants body? Can we get attacked by holes in the shield of our free will? What attacks us, and how can we mend it? This amazing book is a self-help manual that cuts across any barriers of religious prejudice or confusing psychology. Step-by-step learn how to tap into the God-spot and your own natural-born intuitive abilities for giving and receiving Miraculous Healings for yourself and others by connection through hands-on healing and prayer. Written by Tiffany Snow, a stigmata-bearer, evidence-based miracle healer and intuitive. Blessed Tiffanys near-death experience by lightning strike began her empirical revelations that bring people from all over the world to hear her inspired words and be touched by her miraculous hands. This book bridges the gap between alternative medicine, healing prayer and science, and religion and spirituality. It is a treasure not just for those aspiring to become healers themselves, but for those seeking to be healed.
