North to Lalibela: Searching for Ethiopia

By Duncan E Lanser

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Ruth G Lanser (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Do you think that all Ethiopians are beggars? Zeleka is a gentle, thoughtful boy, still at preparatory school at the age of eighteen, who has a unique approach to gaining the attention of travellers to his city: he asks for their help with his homework. North to Lalibela tells the story of a trip along Ethiopia's Northern Circuit, into an ancient civilisation - its culture, architecture, art, anthropology, and quirks of history, language and religion. It is a journey of physical adventure and cultural awakening, a memoir of the beauty and challenge of travel in the cradle of civilisation. A compelling read that never ceases to charm. PETRA GENT.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
