Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Cavaye Publishing. Paperback. Book Condition: New. Paperback. 258 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. Preparing for medical finals can be one of the most stressful periods of your career. The successful candidate does more than demonstrate knowledge; they show the examiner an understanding of the underlying concepts, giving insight into a clear, sensible mind. This book shows you a method for structuring knowledge you already have while revising essential concepts in medicine. Organising the way you think will make it easier to access relevant information, make important connections and present your answers coherently. Thinking Medicine provides strategies for success in any examination as well as a system to approach problems in clinical practice. www.thinkingmedicine.com, This item ships from multiple locations.
