THE BLOCKADE RUNNERS

[DOWNLOAD](#)

Luath Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Blockade Runners, Jules Verne, Jules Verne is the author of many classic, world-famous novels such as "Around the World in 80 Days" and "Journey to the Centre of the Earth". In this brand-new translation of "The Blockade Runners", Verne moves seamlessly between Scotland and the southern states of the US during the American Civil War. With the southern harbours effectively sealed by the North, Scottish industrialist James Playfair must run a daring Federalist blockade of a Charleston harbour in an effort to trade supplies for cotton and to rescue a young girl's father, held prisoner by the Confederates. As the blockade grows tighter, will Playfair risk all to save the man, or will he head back to Scotland in safety with his hold full of precious cotton? "The Blockade Runners" is a translation of "Les Forceurs de Blocus" (1871). As a novella, it was originally included along with "A Floating City" in the first English and French editions.
