Brand New Book ***** Print on Demand *****.Excerpt from Harvey Rice and the Common School Law of Ohio School Law The death of Harvey Rice, on the 7th day of November, 1891, in the ninety-second year of his age, awakens a memory, historical and personal, of nearly three generations. His early contemporaries, compatriots and neighbors of the Pioneer generation had mostly long ago departed, leaving him the last and most stately oak of the forest. The present generation had grown up to respect and revere his character and person, while knowing but little of his public services of a half a century earlier, and that little only legendary - the records of the public journals of the State of fifty years ago, having passed into oblivion. For many of the later years of his long and eventful life, Mr. Rice was the president and inspiring spirit of the Early Settlers Association, of the Western Reserve, and in that capacity annually delivered a discourse pertinent and attractive, largely historical, touching incidents and events of the lives of the oldest and most noted Pioneers.
