# EJB 3 in Action (2nd Revised edition)

By Debu Panda, Reza Rahman, Ryan Cuprak, Michael Remijan

Manning Publications. Paperback. Book Condition: new. BRAND NEW, EJB 3 in Action (2nd Revised edition), Debu Panda, Reza Rahman, Ryan Cuprak, Michael Remijan, DESCRIPTION The EJB 3 framework was a major advancement for Java EE developers, providing a consistent, easy-to-use model to create and extend applications. Building on the bestselling first edition, EJB 3 in Action, Second Edition tackles EJB 3.1 head-on, through numerous code samples, real-life scenarios, and illustrations. This book is a fast-paced tutorial and includes in-depth EJB 3.1 internal implementation details, best practices, design patterns, and performance tuning tips. The book also discusses using open source frameworks like Seam and Spring with EJB 3.1. RETAIL SELLING POINTS Uses real-world examples In depth coverage of EJB 3.1 For both novice and experienced EJB Developers AUDIENCE This book is written for Java EE 6/EJB 3.1 beginners as well as experienced EJB developers. ABOUT THE TECHNOLOGY Java EE is used to build business-logic and persistence-tier enterprise Java applications. EJB 3, JPA and CDI simplifies development of Java components by making components to be POJOs (Plain Old Java Object), which along with frameworks like Hibernate and Spring have become quite popular among Java developers.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
-- Prof. Kirk Cruickshank DDS
